STANDING: Liz Robinson, Lorna Towne, Maureen Wall, John Knight, Hugh Simcoe, Mr. Grey, David Smith, Bill Cowley, Doug Hopkins, Susan Meigs, Susan Ditchett, Geradee Westley, Jackie Davis, Mary Boardman.

Under the guidance of Mr. Grey, The American Field Service Club is in its first year of organization. The purposes of this club are to assist the parent A.F.S. in the raising of funds, through such events as Boys and Girls tagdays, so that a student from A.B.R.H.S. might be sent overseas; to plan assemblies in which students from other schools participate; to finance the stay of our own exchange student, Charles Randriamasiamanana from Madagascar. Through the A.F.S., all students can learn more of conditions in foreign countries, and participate in the movement for better understanding among the nations of the world.

Charles Randriamasiamanana while visiting Cape Cod with his American family, The Hopkins', has his picture taken behind the wheel of an antique car.

Charles Randriamasiamanana talks to Carl De-Suze after the latter's lecture on "Southeast Asia, The Tiger We Ride."

# President's Message

Fellow Classmates:

High school has been many different things to all of us. It has meant education, friendships, and experiences shared. Too often people appreciate something only when they are about to lose it. Perhaps this is the reason that the senior year in high school produces an appreciation by all Seniors for the previous four years. May we all look forward to the future with keen anticipation, but let us always remember fondly the unforgettable years we have spent together.

# FOREWORD

"If men and women are to understand each other . . . the foundation must be laid in youth"

During our high school years we have become aware of the fact that the foundation of the future must be laid in youth. Through scholastic efforts coupled with athletic and social activities our outlook towards life has matured. Our parents, counsellors and friends have aided in our development during these formative years. Within the following pages can be found the collective and individual triumphs and achievements of our developments through our years of youth.

The powers and duties of the school board as imposed by the laws of the Commonwealth of Massachusetts include the approving of expenditures and teaching appointments and the general management of the schools. The Acton-Boxborough Regional School Committee as elected by the general public consists of the six members of the Acton school committee and three members from Boxborough. To accomplish this, emphasis is placed upon development of various skills, such as pronunciation, spelling, syllabication, reading rate, flexibility of rate, comprehension techniques, and use of an index. Each reading class meets four times a week for a period of ten weeks, concentrating at present upon eighth and ninth graders. Future programs are expected to include seventh graders as well as some senior high students above ninth grade.

## Provides basic understanding ENGLISH

Teaching that literature is a representation of life and that it is to be valued as part of a nation's indestructible heritage is a major concern of the English department. The works of such varied figures as Chaucer, Byron, Shakespeare, Keats, and Ferlinghetti are examined in terms of their contributions to man's understanding of himself and the formation of language. It is with the latter that grammar finds its justification. To express an idea, the student must have at ready command the tools of expression. Extensive composition assignments of a critical as well as creative nature encourage the development and practice of just such self-expression.

## MUSIC

In a world which too often concerns itself with wholesale destruction of nature and total annihilation of mankind, music and the arts stand as reminders of the beneficence of beauty and the worth of the individual. On such a premise, the music department under the guidance of Mr. Constantine Limberakis bases its work. In addition to developing musical responsiveness within each student, this department strives to promote musical growth within the individual and the community. By utilizing the musical resources and traditions of the community, by correlating school, community and church groups in public performances, these latter aims are accomplished.

## FRESHMEN

Although they are merely freshmen, the members of the class of '66 have added a great deal to our school, and promise to become worthy leaders of tomorrow.

Last September the freshmen began their high school career under the guidance of their class advisor, Mr. Sullivan. Their first task was to elect

a new vice president to replace Ilonka Tumelaire, who became president. John Knight was unanimously elected to fill this position. The class itself has shown great spirit and co-operation by conducting two class dances, and also by their outstanding participation in school activities.

After fulfilling the request to help with the Acton Policemen's Ball, two of their own dances were held in October and April. These could not have been accomplished without the competence and interest of Mr. Pratt, their class advisor, and the fine spirit shown by their own class of 1965.

"Es das nicht ein curly cue?"

"every cactus bush that blooms on its sweeping desert! Every sun . . ."

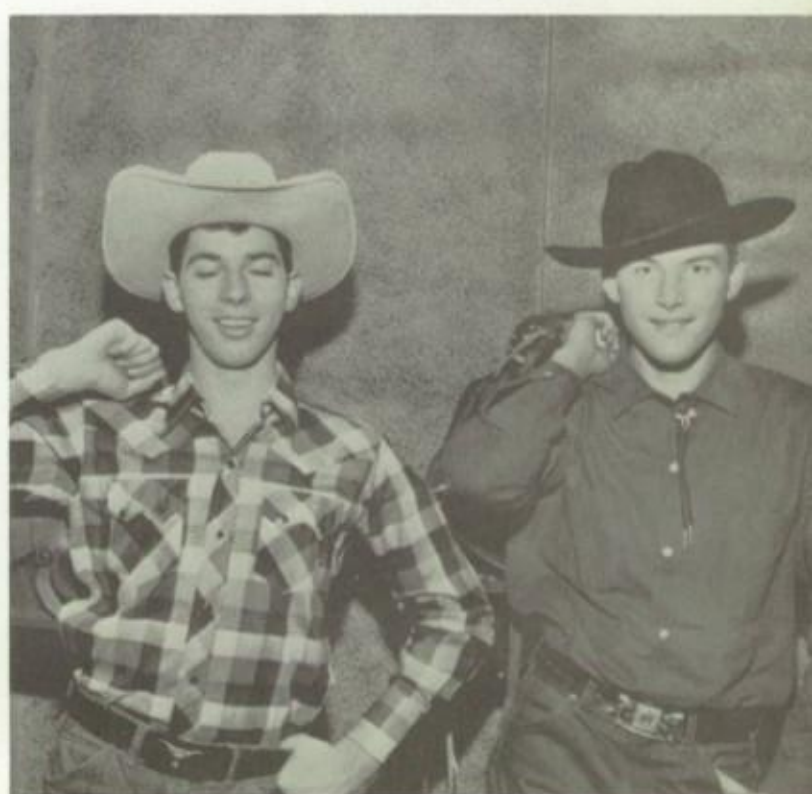

Culminating weeks of rehearsal, frustration, disappointment, actors in absentia, and at times what seemed like insurmountable obstacles. The seniors held the audience spell-bound on November 9 and 10 with their thespian debut, "Girl Crazy." The curtain rang up on a nervous cast, equally worried committees back-stage, and an inwardly worried Mr. Sullivan. But for all the missed lines and the shouting the inspired direction of Mr. Sullivan and Judi Kelly was not in vain, for the curtain could not have fallen on a happier group.

"Why I ever signed up for rope twirling class I'll never know!"

"Can you dance too?"

Roger "Cactus" Shamel and David "Lucky" Brzezinski pause a minute backstage.

# ACTIVITIES

Membership in the National Honor Society, under the guidance of Mr. Morris, is a great honor conferred upon worthy juniors and seniors. Each student who is considered must have a scholastic average of 85 or better. Every student who fulfills this requirement is carefully reviewed by the faculty committee to determine whether he upholds the ideals of this society: scholarship, leadership, character, and service. Thus, to be elected to this society is to say that the individual is an asset to our school and community, constantly striving to achieve the high ideals epitomized by the National Honor Society.

Both the J.V. and Varsity field hockey teams finished the year with excellent records. The varsity ended the season with six wins, four losses and one tie while the J.V.'s had five wins, four losses, and one tie. Under the valuable coaching of Miss Stearns, the team worked smoothly and

steadily together. Captain Kathy Paradis played excellent defensive games while Margaret Moland, center forward, was high scorer. The widespread interest and enthusiasm, especially among the underclassmen, show promise for next year.

SECOND ROW: Don Lindquist, Dick Brennan, Ed Boyden, Ronnie Sweatt, David Stonecliffe, Tim Prowten, Bob Sampson, David Locke, Don McPherson, Don Shelly, Bob Dionne, Steve Gravin, Larry Frech, Russell McNamara.

This year, under the coaching of Mr. Daniel Boylen, the soccer team ended its very successful season with ten wins. The first blot on the season's record was a two-two tie with Oakmont. The Colonials then went on to win their next two games, losing the final game to Lincoln-Sudbury two to zero. In league play the Colonials won two victories each over Watertown and Littleton. In non-league play they beat Narragansett and The Cambridge School twice, Oakmont and Lexington each once. The Colonials scored forty-one goals to their opponents' sixteen. They

were never scored on more than twice in any single game.

Richard Beddoe broke the school scoring record of ten goals by scoring eleven, while Harry Gould tied the record. The offense also turned in a good season with wings Donald Shelley, Wayne Pasanen, and Ronald Sweatt. The defense was held up well by goalie Larry Frech, fullbacks Robert Sampson and Donald Lindquist, and center halfback and Captain Ian Millar. The younger boys on the team this year gained valuable experience which will be sure to prove helpful to next year's team.

The Colonial boys' varsity basketball team, led by co-captains Wayne Pasanen and Robert Hansen, had an exciting season. With fifteen wins and seven losses the boys had a commendable over-all record. They aroused the whole-hearted support of the school with their strong playing in spite of difficult competition. Although next year's team will miss the playing of seniors Wayne Pasanen, Robert Hansen, Charles Hansen, James Mann, Michael Shumaker and George Robinson, the many promising underclassmen make the future look encouraging.

## GIRLS VARSITY

The girls' varsity basketball team completed the 1962-63 season with an excellent over-all record of seventeen wins and two losses and the Dual County League Championship. Led by seniors Kathy Paradis (Captain), Judy Nordberg and Margaret Moland and under the fine coaching of

Miss Stearns, the girls roared on to victory with the combination of a superior defense and offense. Culminating a fine season was an invitation to participate in the Ashby Tournament and the prospect of a promising season next year.

underclassmen, indicates promising season for next year.

Under the direction of Mr. Boylen, the Junior Varsity compiled a commendable record of eleven wins and six losses although over-shadowed by the Varsity most of the season. High scorers Jack Hartwell, Stan Broadbent, and Don Lindquist led the offensive, while Gordon Edgin, Pete Moody, and Ron Sweatt bore the brunt of the defensive duties.

# CHEERLEADERS

Captain Pauline Oman

Captained by Pauline Oman, our cheerleaders captured the spirit of our basketball games. They led the group in the bleachers enthusiastically and at many away games were the only support behind our teams. Also, a new addition to the season was a pep rally, led by the cheerleaders to arouse a fighting spirit. Their peppy cheering was a great help to our victorious basketball teams.
